CENTRAL INTELLIGENCE AGENCY  
OFFICE OF CENTRAL REFERENCE

1 March 1960

MEMORANDUM FOR: Recipients of the Publication "Observed  
Radio Frequency Usage"

SUBJECT: Discontinuance of "Observed Radio Frequency  
Usage" CIA/CR 15

1. Publication of the reference aid entitled "Observed  
Radio Frequency Usage" (ORFU), CIA/CR 15 has been discontinued.

2. During the past several years three editions of ORFU  
have been edited and published by the Radio Stations Branch (RSB)  
of this Office; however, as a result of personnel limitations it  
is now planned to liquidate RSB as of 30 June 1960. Until that  
time requests will be accepted for specialized types of machine  
listings dealing with frequency usage or frequency assignment,  
but there will be no further publication of ORFU after Volume III  
of the Third Edition, dated September 1959, which has been  
disseminated.
